

## Join the Fun at a DAWS Event This Year!

Your sponsorship is promoted to an audience of over 30,000 online local supporters.

### DAWS Putt FORE Paws – Joyce Allen Memorial Tournament (June 8th, 2026)

Join us for a day of golf and goodwill at the Joyce Allen Memorial Tournament, hosted by the DAWS Animal Welfare Society. This event, held at the beautiful Redding Country Club, is a celebration of community, compassion, and the love of the game.

The Joyce Allen Memorial Tournament is a tribute to a beloved member of our community and a fundraising initiative to support DAWS in its mission to provide care and shelter to animals in need. By participating in this tournament, you're not just enjoying a round of golf; you're making a meaningful difference in the lives of animals and supporting a cause close to our hearts.

### DAWS Making a Difference Gala (October 8th, 2026)

Since 1974, DAWS has successfully rescued over 32,000 displaced animals from high-kill shelters and has helped countless more in our community. As we approach the final days of our shelter renovation project, our commitment to remaining a leading animal welfare provider has never wavered.

This annual event hosts 250+ members of our community and celebrates locals who have banded together to help DAWS continue to thrive. Dance, nosh, and enjoy a night filled with music and heart lifting stories of animal survival and strength.
